## THREE-YEAR-OLD WINNERS.

During the racing campaign of 1902 twenty three-year-olds won ten or more races. Last year the number achieving this measure of success was nineteen. The winner of the greatest number of races last year was the American Derby winner, Robert Waddell. To the second horse in the American Derby of this year, Lucien Appleby, falls the same distinction. He is a good race horse and the same can truly be said of Schwalbe, Sombrero, Corrigan, Jack Rattlin, McChesney, Aladdin, Hermis and Old England, all of which are in the double figure list. No unbeaten three-year-old appears in the list, except Allan-a-Dale, his Kentucky Derby success making his solitary race with signal glory. The horses that won fifty per cent. or more of their races were Schwalbe, Sombrero, McChesney, Hermis, Old England, Hatasoo, Royal Rogue, Gun-

fire, Ed Austin, Runnels, Josepha, Lapidus, Major Daingerfield, Alabarch, Van Ness, Cruzados and Chilton, even so good a colt as Hyphen failing to land in this select band. The table below does not give the names of all three-year-olds that won races in 1902, but it covers those credited with fairly meritorious performances at one time or another:

Winner—Ch. c. by Star Ruby—Teatro (trained by W. Roller).

Went to post at 2:01. At post 3 minutes. Start good. Won handily; second easily. Pageant began slowly and had to go around the leaders to get up and fought it out with Embarrassment all of the last furlong, winning going away. The latter was in close quarters for the first half, came wide into the homestretch and tired when it came to a hard drive. Spec tired, but may have been short and the race should improve him. Mauser is a quick breaker and showed early speed, but tired. Showman stumbled soon after the start. Memphian was green at the barrier and got off flatfooted. He is a good looker and is said to have worked well.

Pageant, show, 4 to 5. Embarrassment, show, evens. Spec, show, 4 to 1. Uranium, show, 3 to 5.

Winner—B. h. by Sayre—Stephanie, by Macduff (trained by J. Arthur).

Went to post at 2:30. At post 3 minutes. Start good for all except The Stewardness. Won ridden out; second driving. Pollak rode a waiting race on Moroni, lay in behind the leaders until at the sixteenth post, where he came through on the inside, caught Dandie Belle and If You Dare tiring and outgamed them when it came to a drive. Dandie Belle ran well to near the finish, but gave it up when strongly challenged. If You Dare also ran well, but tired when called on. The Bronze Demon quit as if short, dropped out of it while rounding the far turn and was eased up in the stretch. The Stewardness was left flatfooted and closed a big gap. This one will do to remember.

Scratched—36664 Moskito, 109; 36652 Doeskin, 108; 36707 Alpaca, 104.

Went to post at 2:59. At post 3 minutes. Start bad. Won easily; second driving. The barrier arose slowly and all but Aratoma, Smile and Magnetic got tangled up in it. Federal got off badly and ran a sensational race, gradually wore down the big gap, caught Smile and Antonius tiring in the last furlong and came away without much effort at the end. Antonius ran a good race and was under a hard drive all of the last quarter. Smile displayed speed, but tired in the stretch. Aratoma quit badly after going a good half.

Elsie L. came wide into the homestretch and carried Marie Bell out with her. The latter showed fine speed, but tired when the pinch came. All but left he made up ground quickly while going down the backstretch, but was out of while rounding the far turn. Shaw found an opening at the head of the stretch and sending his mount through along the rail, came away in the final eighth and won with plenty to spare. Flop ran a good race and caught Brandy Smash in the final stride. The latter, favored by a flying start, showed early speed, but could not withstand the winners bid.

Winner—B. f. by Bonnie Joe—Night Shade (trained by T. Kelly).

Went to post at 2:05. At post 3 minutes. Start fair for all but Bernota. Won driving; second easily. Katherine Ennis raced into a long, winning lead in the first quarter, but was unexpectedly driving in the last sixteenth to beat Hesper. The latter was swerving badly, but finished fast and was best. Gibraltar, away in the lead, quickly resigned his advantage and lacked his usual speed, but held on well after swerving in the stretch. Velma Clark was tiring in the stretch. Star Cotton closed a big gap. Bernota whirled at the start and was practically left, but went after the field and ran a better race from a time standpoint than the winner.

Winner—B. f. by Fitz James—Quadruplex (trained by V. Gilbert).

Went to post at 2:32. At post 1 minute. Start good. Won easily; second driving. Stirling Towers led unextended throughout and was easily best. Alms Giver finished fast, but evidently lacked in condition and should improve. Rosarie failed right at the end after looming up strongly in the stretch. Grey Fox went well. Fitz Stockwell has worked fast trials and is a good looker. Mac Ana quit early today and can do better.

Scratched—36666 Discovery, 107; 36666 Racivo, 107; 36479 Ohio Girl, 104.

Stirling Towers, show, 3 to 5. Alms Giver, show, 6 to 5. Rosarie, show, 1 to 3.

## NEW YORK'S NEW TRACK.

A recent issue of the New York Sun gives the following description of the new track which in the future will be known as Belmont Park:

"The property abuts the city line, thereby complying with the requirements of the Racing Commission, which does not approve of the building of new tracks within the city limits. The train sheds are over the city line, however. South of the Hempstead turnpike there is a stretch of 421 acres. On this ground the racing plant proper will be constructed.

"There will be the regular circular track of a mile and a half. Inside of it there will be a turf course of a mile and three furlongs. Within the latter will be a turf hurdle course of a mile and a quarter, while there will also be the usual steeplechase course through the field. There will be a mile chute straightaway, although only seven furlongs of it will probably be used in racing events, which will be constructed on the lines of the Futurity course at Sheepshead Bay. Outside and beyond the far turn of the main track there will be a mile course for training purposes, which may be used in connection with the regular course if necessary.

"North of the turnpike there will be another mile track for the training of yearlings. On this part of the property there will be ample stable accommodations, from which a tunnel three-quarters of a mile in length will extend under the turnpike to the paddock, the idea being to do away with the habit of men and boys leading horses down the track, where accidents are liable to occur.

"The main track will be a 'right hand' affair. That is to say the races will be run in exactly the opposite direction to that at the other local tracks. The jockeys will have the rail at their right instead of left hand, which will be an innovation, not only to them, but also to the spectators as well. This idea has not been formally decided upon, but it has been under advisement and is at present very favorably thought of. But there may be a change later on when the matter has been more thoroughly discussed. It was tried some at Monmouth Park in 1890, but was not voted a success.

"The grandstand will be an immense affair, larger than the one at Westchester. It will be 750 feet long, 100 feet deep and 50 feet high, with a cantilever roof of steel. The seating capacity will be for 11,000 spectators. The stand will be divided in the middle by a promenade leading back to the retiring rooms and the restaurant. Back of the stand will be the betting ring, a huge affair, 200 by 280 feet, with a glass roof. There will be accommodations for two rows of layers.

"The field stand will be 250 feet long and will seat 5,500 people. There will be room on the broad lawn in front of both structures for 28,000 more, with unlimited accom-

modations beyond the field stand and in the infield.

"The clubhouse will be a three-story structure with all the modern conveniences. It will have three separate dining rooms, one for women. There will be broad verandas running around three sides of it and there will be a bridge running from the second story to the grandstand for the convenience of patrons. The paddock will be 86 by 275 feet, with a slate roof, having an overhang of 15 feet on each side. It will contain 38 stalls, each 10 by 12 feet.

"Between the clubhouse and the paddock there will be a building known as the 'jockey house,' 84 by 58 feet. There will be lockers, shower baths and dressing rooms on the ground floor, with rooms for owners and trainers on the second floor and the offices of the secretary. All of these structures will face the northeast, so that during the hours of racing the sun will not strike the faces of the spectators. The style of Italian renaissance will prevail everywhere. Charles W. Leavitt, Jr., of 15 Cortlandt street, who rebuilt the Saratoga and Bennis tracks, has drawn up these plans and will have charge of the building of the new course.

"Belmont Park will be built on level ground. It is ten miles from Hempstead Plains, where a new track was said to be under advisement to replace Morris Park. Five miles away and west of the new race course is the track of the recently organized Metropolitan Jockey Club, in which P. H. McCarren and T. D. Sullivan are leading lights. The present lease of Morris Park expires on January 1, 1904, and the Westchester Racing Association expects to have Belmont Park in shape by that time. The reason for abandoning Morris Park was the fact that the Messrs. Morris would not lease it for a term of years and recently gave their consent to the New York and Port Chester Railroad to pass through the property.

"As the new road will serve greatly to increase the value of property in Westchester county, it was concluded that no race track could be conducted there in future, except under heavy fixed charges as to taxes and rental. As the Westchester Racing Association has already accepted entries for stakes to be run in 1903, 1904 and 1905, payments on account of which aggregate \$6,000, and will also accept entries for events to be run in 1906, an immediate change of location was deemed desirable."

## GOSSIP OF THE TURF.

Ed Botay, one of the first men in this country to make a business of handicapping the races has arrived at New Orleans. Mr. Botay has been going to New Orleans for many years. This is his twenty-first year there. Botay has been a close student of the game and in past years accumulated a fortune playing the races. He was much impressed with the improvements that have been made at New Orleans since last season. He said: "When I first came to New Orleans the races were very ordinary. On a nice day I have seen less than 200 people on the grounds. In those days the purses amounted to less than \$100. Naturally, the sport did not amount to much. They were a sorry lot of dogs that ran. I have seen the game develop and grow all these years and am much pleased with the improvement."

Given good weather and a fair track at New Orleans we can't lose a bet for you. Even when the track is bad the best we ever get for you is an even break. Our dispatches indicate good weather and a good track indefinitely from now on, and our famous corps of track experts announce that never in the history of the Maxim & Gay Company have they had up their sleeves such a bunch of good things as they will spring for the benefit of our clients in the next ten days. You can't afford to miss us from now on. We are clearly in our stride. If you are wise you will cut in and get some of the picking, as 440 per cent. are the dividends earned the past five days, and yet the plays we have made in that period are the most conservative that could have been selected. The five were sure winners. We never shot at the moon. The stockholders of the Maxim & Gay Company bet thousands daily on the one-horse selection, and the money of our clients is, therefore, as preciously handled as theirs. The outlook for the present week is really glowing. The track is in good condition and promises to remain so. Our experts are on the ground now and they have mastered every detail of the game. They look forward the next fortnight to the biggest winning percentage of their career. String along with us and you will get the money.

## We Handle Your Money with Caution.

The success of our precautionary measures to surround our tremendous operations with every safeguard is apparent to all. As every racegoer realizes, publicity as to our planned coups before the races are run would endanger success and therefore we allow none. As a pledge of good faith the Maxim & Gay Company at 2 p. m. daily places in the hands of the editor of the New Orleans Item the selection on which the money of our clients is to be played, and also mails to each subscriber the name of the selection, such letter bearing a postmark at least one hour prior to the time the race is run. When specially requested the name of the horse and the odds secured are communicated by telegraph after the races to subscribers.

All money of our clients is placed through Mr. Sol Lichtenstein, the noted eastern bookmaker, who gets it down in a dozen cities through agents and thereby secures best results. Fee for placing your commission is 5 per cent. of net weekly profits. This is Mr. Lichtenstein's charge. Fee for the information is \$10 weekly. This is Maxim & Gay's charge. Statements mailed weekly with check for profits. Accounts subject to withdrawal at two hours' notice.

The following are the minimum betting accounts that will be accepted: For a \$10 daily play on one horse, \$50. For a \$20 daily play on one horse, \$100. For a \$50 daily play on one horse, \$250. For a \$100 daily play on one horse \$500. For larger plays, sums in proportion.

Remit direct to the Maxim & Gay Company, 928 Canal street, New Orleans. All accounts received by the Maxim & Gay Company will be played by Mr. Sol Lichtenstein, or some other agent of the Maxim & Gay Company, and the Maxim & Gay Company will make all accountings direct to its clients. The Maxim & Gay Company assumes all responsibility for a proper execution of its clients' orders. Our friends are cautioned against sending money through the mails without registering. No checks accepted unless certified.
